Paris, September 11th 2016

Acceptation and Invitation to 3rd E-UNSAT 2016 Conference

Dear Prof. Chao-Sheng TANG,

On behalf of the Organizing Committee of E-UNSAT 2016 Conference, I'm delighted to inform you that your paper entitled "Effect of wetting-drying cycles on soil desiccation cracking behaviour" by Chao-Sheng Tang, Yujun Cui, Anh Minh Tang, Shi Bin and Ni An (sciencconf.org/eunsat2016:71556) has been accepted for publication in the Proceedings of the conference and I invite you to the 3rd E-UNSAT 2016 in Paris, France from September 12th to September 14th to make an oral presentation of your paper.

Expenses related to the Conference: registration fees, accommodation, transportation, and medical assistance, if necessary, have to be covered by the attendant.

Yours sincerely,

Prof. Pierre DELAGE
Chairman of E-UNSAT 2016 Conference
Ecole des Ponts ParisTech, France
