IHP-WG on
Land Subsidence

EMAIL CORRESPONDENCE

Dr. Shujun Ye
UNESCO Working Group on Land Subsidence
Department of Hydrosociences
School of Earth Sciences and Engineering
Nanjing University
Nanjing 210046, P.R. China

Dear Dr. Ye,

The UNESCO Working Group (WG) on Land Subsidence is convening its annual meeting in Puerto Vallarta, Jalisco in Mexico as a part of the activities of the Annual Meeting of the Mexican Geophysical Union (UGM) during 1st-6th November 2016.

As a member of the WG, you are hereby cordially invited to attend. Recommended hotel accommodation is the Sheraton Baganvillias in Puerto Vallarta (<http://www.sheratonvallarta.com/>).

A meeting agenda with details on the meeting room location will be forwarded by separate email correspondence in the near future.

Please reply by email (to: freyre@geociencias.unam.mx with cc: (John.Lambert@deltares.nl) to confirm your attendance; and send the arrival and departure dates, carrier(s) and flight numbers for your trip to Mexico.

Sincerely,

Dr. Dora Carreón-Freyre
Chair, UNESCO Working Group on Land Subsidence
